

Some Conclusions of 18th World IASL Congress, Beijing 10-11, 2012

Sports Law – Structures, Practice, Justice, Sports Science and Studies

- ü This Congress was a fundamental important for sports law. It provides us the opportunity to discussed different subjects in several fields of sport law topics such as, the role of lex sportiva. Lex Sportiva / Olympica, is another kind of law resulting from the synthesis of characteristics of international law (subject, object and content regulations) and internal characteristics of domestic legal orders.
- ü The Lex Sportiva relations in international Sports institutions, as and the legal relation with the international organization, the legal fields of the European Union law and the institution for sports Jurisdiction .This new kind of international law poses necessarily old accepted practices and established organizational structures and constitutes a sui generis sports law international legal order, imposed heteronomously on the sporting world from these international organizations.
- ü International Sports Law is consisted by the rules of international acts and conventions of bodies that are governed by rules of international law such as international treaties and acts on Sport, the rules of WADA Code and the International Charter for Sport but not by the rules lex Sportiva / Olympica.
- ü The need for fundamental changes in the organization of the international sport practice under the principle of legality in international sports field becomes imperative, via a constitutional charter for sport and an international jurisdiction, an international Court for Sports.
- ü In 18th IASL congress provides us the opportunity to discussed different subjects in several fields of sport law topics such as the role of lex sportiva and her relations in international Sports institutions, as and the legal relation with the international organization, the legal fields of the European Union law and the institution for sports Jurisdiction .Also, we had an opportunity to discuss some new aspects of sport law in practise. It will help to actualizes sport activities, for example the cases with ethical and legal aspects in modern Olympic and world games, that's characterise the future sport in the world. Furthermore we discussed problems relevant with Betting and gambling in sports activities as be and the problem of doping in sports.
- ü We all get new, useful ideas that will help to develop our aim – science and practice of sport law. I hope that you will agree that in the IASL Congresses not only we discuss problems from sports practice area, but and we will discuss scientific problems of Sports Law for her development, for make on offer to sports world and to involvement in sports activities.
- ü This Congress of IASL, in Beijing, was an excellence scientific congress, which give us a new perspective.
- ü Now, I would like to invite you to Continuous our work, I will be glad to see you next year in 19 IASL Congress in Bali Indonesia.
