In memory to Unforgettable Colleague + **Lucio Colantuoni, who was a**
Member of IASL from 1994 and IASI's Board Member from 2004 until 7-1-2016

It is with great sadness that the IASL has learned of the tragic death of Prof. Avv. Lucio Colantuoni on 7 January 2016.

Lucio Colantuoni was a Professor at the Law Faculty of the Milan University, Director of the Sports Law Research Center (Italy), Attorney at Law and Arbitrator at the Court of Arbitration for Sport. He was a member of the IASL since 1994 and member of Board of Directors since 2004.

Lucio Colantuoni was an outstanding sports lawyer and a friend to all of us who knew him.

Our thoughts are with his family. He will be greatly missed.

For the International Sports Law Association.

The President of IASL
Dimitrios P. Panagiotopoulos
Professor at the University of Athens

In Memory of unforgettable + **Lucio**

By: **Olga Shevchenko**

Secretary General of IASL

Words can't be helpful in expression of how sorrow were all we to get to know of this tragically loss occurred of our undoubtedly professional colleague, loyal friend, dear son, husband and father - Lucio this year.

Lucio will always be kept in our hearts as an example to be followed. He commenced a huge work on Sports Law development in the sphere of Jurisprudence in Italy and extended it among all Sports lawyers around the World. He shared his knowledge with all who asked, he did his best to those, who needed it from him.

Most of us have known him as an arbitrator and mediator of the Court of Arbitration for Sport (Lausanne) and his achievements in the field couldn't be underestimated.

He was in the very beginning and in the very intention of launching the brand-new International Sports Law LLM in cooperation with the most experienced Universities in Europe including Kufstein University.

He is an author of numerous academic researches, textbooks, articles, including Sports Law textbook for Master students made for Russian Universities.

We are grateful to all what he's done for us and our followers and our goal is to continue his work and to share our memory of him and of his work.
